198m²

830m²

Discover this charming villa with sea views, ideally located on the Benissa-Moraira border. Nestled in one of the most sought-after residential areas, this property offers a spectacular panorama over the Mediterranean Sea, all the way to the iconic Peñón de Ifach in Calpe. At street level, there is parking space for three cars. The entrance to the villa is reached via a staircase. Because the house sits well below street level, you benefit from complete tranquility without any traffic noise. If desired, an exterior lift can easily be installed for added comfort.

The main floor features an inviting living room, a bright dining area, an open kitchen, two
