410m²

2,972m²

Exclusive - More than 100 years of history, traditional natural-stone architecture and the unmistakable character of an authentic Mediterranean finca: built in 1920, this distinctive property is located in the peaceful area of Pedramala-Llenes near Benissa, combining privacy, generous living space and a beautiful countryside setting.

The main house offers approximately 259 m² and retains many elements of its traditional architecture. Natural-stone walls, exposed wooden beams, terracotta floors, traditional wooden doors and fireplaces create a warm and authentic atmosphere throughout the property.
