Beachside Villa with Private Beach Access - Oliva

A rare opportunity to own a unique home just steps from the sea in Oliva, close to the well-known Camping Pepe and the beautiful sandy coastline.

This property offers something truly special: private access to the beach via a gated path used only by nearby owners, as well as a protected green area in front of the house, ensuring that no buildings can ever be constructed there and the open views will always remain.

The villa sits on a 251 m² plot with 161 m² of built space, distributed over three floors.
