Plot located in the municipality of Orba located in a very quiet and sunny area near Denia. It is situated on agricultural land, green and humid, almost flat, with spectacular views of the orange valley, the mountains and the bottom sea line. This property, with an area of land of more than 20,000 m², is a paradise for anyone who likes tranquility. It has automated water service and the light is relatively close. On the plot it is possible to build a house by measuring more than 10,000 m².
